

LIVE ONLINE CPE EVENT GROUP MODERATOR FORM

This form is for groups of two or more individuals participating in an online CPE event together. The group must appoint a moderator who will answer polling questions/attendance prompts on behalf of all those in attendance and submit responses through the on-line webcasting application. The moderator will attest to the group's attendance by completing the Moderator Information section below. Please note the event type, title, and date(s) where indicated below, and list the first and last name, and email address of each individual requesting CPE credit.

Please submit the moderator form immediately after the event and allow 3-5 business days after form submission for CPE certificates to be processed. An email will be sent to each attendee informing them their certificate is available.

For timely delivery of CPE certificates please ensure all participants listed are registered in advance of the event.
