

# Checkpoint Learning

## Professional CPE package

The Checkpoint Learning® Professional CPE package pairs selection with affordability. This package was designed specifically for individuals looking to meet their CPE requirements in a cost-effective and convenient manner, but with a wide selection of online courses. The Professional CPE package provides firms, and individual practitioners, with the essential Checkpoint Learning components and a wide range of courses for a low annual per-user price.

### CPE tracking

Checkpoint Learning provides online CPE tracking and compliance monitoring for every state board of accountancy requirement, and more than 20 professional designations.

- Automated CPE tracking and compliance monitoring
- CPE certificate storage
- Monthly email notification of CPE status
- Personalized learning dashboard

### Ethics online courses

Subscribers will receive access to our full library of state-specific ethics courses — Including Circular 230 ethics course for Enrolled Agents.

**For more CPE information and to register, visit [cl.tr.com](http://cl.tr.com)**

### Standard online courses

You'll have immediate access to a library of more than 375 interactive and engaging online courses from Checkpoint Learning! The library includes more than 1,800 hours of CPE credits. Courses feature a user interface that has been carefully designed to enhance your learning experience and provide easy, intuitive navigation.

Library topics include:

- Accounting and auditing
- Consulting services
- Technology
- Management
- Personal development
- Specialized knowledge and applications
- Taxation

### Pricing

\$289/year for 1-year subscription

\$249/year for 3-year subscription.

Per-user annual pricing applies to firms with under 50 seats. Contact us for a price quote if your firm has more than 50 users.
